ON BACK- School Tobacco, Alcohol & Drug Policies

Tobacco/Nicotine Prohibition Policy

It is the policy of the Champlain Valley School District to provide a tobacco and nicotine free environment for students, employees, and guests.

Guidelines

- The use of tobacco and tobacco products on school grounds is a violation of state law and is hereby prohibited.
- In addition, this policy shall apply to all forms of nicotine delivery devices, including but not limited to electronic nicotine delivery systems.
- This ban extends to any student, employee, or **visitor** to the school and applies at all times, regardless of whether school is in session or not.
- Others who use tobacco or other product prohibited hereunder on school grounds will be informed of this policy and asked to comply.
- A person failing to comply will be asked to leave school grounds. A person who refuses to comply or to leave school grounds when requested to do so shall be referred to local law enforcement authorities.
- For purposes of this policy, "school grounds" means any property and facilities owned or leased by the school and used at any time for activities, including but not limited to school buildings, areas adjacent to school buildings, athletic fields, and parking lots including private vehicles located therein.

Alcohol & Drug-Free Policy

It is the policy of the Champlain Valley School District to maintain a place free of alcohol and drugs. The use, sale, purchase, possession or any transfer of an illegal drug or of alcohol by an employee, contractor, visitor or volunteer is prohibited while in and on School District Facilities. Further, no employee, contractor, intern, visitor or volunteer will be under the influence of alcohol or any drug on or in school facilities.

- Substance use is the possession, use, or being under the influence of any Substance.

Use of Video Surveillance

The Champlain Valley School District recognizes its responsibility to promote and foster school safety and ensure a safe and effective learning environment. The CVSD Board believes the use of video surveillance will assist in law enforcement on school property, aid in enforcement of school policy, and protect property. After having carefully considered and balanced rights of privacy with the District's duty to promote discipline, health, welfare and safety of staff and students, as well as that of the general public who use school facilities, and to protect District property, the Board supports the video surveillance in its schools, buses used for school purposes, and/or on school grounds.

Note: The above information is taken from district policies. Only that information pertaining to the general public has been used. Complete policies of the Champlain Valley School District are available for viewing from the school or district office.
